RIN 2506-AB65

Designation of Empowerment Zones and Enterprise Communities; Notice of Waiver of Sunset Provision of Interim Rule

AGENCY: Office of the Secretary, HUD.

ACTION: Notice of waiver.

SUMMARY: This Notice announces a waiver granted by the Secretary, under the waiver authority of 24 CFR 597.5, of the sunset provision set forth in § 597.1(c) of the Department's interim rule published on January 18, 1994.

DATES: January 12, 1995.

FOR FURTHER INFORMATION CONTACT: Michael T. Savage, Deputy Director, Office of Economic Development, Room 7136, Department of Housing and Urban Development, 451 Seventh Street SW,

Washington, DC 20410, telephone (202) 708-2290; TDD (202) 708-2565. (These are not toll-free numbers.)

SUPPLEMENTARY INFORMATION: On January 18, 1994, the Department published an interim rule that implemented that portion of Subchapter C, Part I (Empowerment Zones, Enterprise Communities and Rural Development Investment Areas) of Title XIII of the Omnibus Budget Reconciliation Act of 1993 dealing with the designation of urban Empowerment Zones and Enterprise Communities (EZ/EC interim rule). The preamble to the EZ/EC interim rule stated that: "The Department has adopted a policy of setting a date for expiration of an interim rule unless a final rule is published before that date. This "Sunset" provision appears in § 597.1(c) of the rule; and provides that the interim rule will expire on a date 12 months from publication unless a final rule is published before that date."

The EZ/EC final rule is being published elsewhere in today's **Federal Register**. However, consistent with 42 U.S.C. 3535(o)(3) of the Department's authorizing legislation, the EZ/EC final rule cannot become effective until a period of 30 calendar days from the date of publication of the final rule has expired. Accordingly, the EZ/EC final rule, published in today's **Federal Register**, will not become effective by or before January 18, 1995, the date the interim rule expires. In order to prevent a period in which the effective period of the EZ/EC regulations lapses, a waiver is granted under 24 CFR 597.5.

Section 597.5 provides that "The Secretary of HUD may waive for good cause any provision of this part not required by statute, where it is determined that application of the requirement would produce a result adverse to the purpose and objectives of this part." The sunset provision set forth in 24 CFR 597.1(c) of the January 18, 1994 interim rule was not required by statute, and good cause exists to waive this provision in order that the effective period of the interim rule published on January 18, 1994 (59 FR 2700) continues until the date the final rule is published and made effective, at which point the final rule will remain in effect.

Dated: January 5, 1995.

Henry G. Cisneros,

Secretary.

Approval and Promulgation of Air Quality Implementation Plans; Commonwealth of Pennsylvania—Emission Statement Program

AGENCY: Environmental Protection Agency (EPA).

ACTION: Final rule.

SUMMARY: EPA is approving a State Implementation Plan (SIP) revision submitted by the Commonwealth of Pennsylvania. This revision consists of an emission statement program for stationary sources which emit volatile organic compounds (VOCs) and/or nitrogen oxides (NO_x) at or above specified actual emission threshold levels. The intended effect of this action is to approve in the Commonwealth of Pennsylvania a regulation for annual reporting of actual emissions by sources that emit VOC and/or NO_x in accordance with section 182(a)(3)(B) of the Clean Air Act Amendments (CAAA). This action is being taken under section 110 of the Clean Air Act.

EFFECTIVE DATE: This rule will become effective on February 13, 1995.

ADDRESSES: Copies of the documents relevant to this action are available for public inspection during normal business hours at the Air, Radiation, and Toxics Division, U.S. Environmental Protection Agency, Region III, 841 Chestnut Building, Philadelphia, Pennsylvania, 19107; the Air and Radiation Docket and Information Center, U.S. Environmental Protection Agency, 401 M Street, SW., Washington, DC 20460; and Commonwealth of Pennsylvania Department of Environmental Resources Bureau of Air Quality Control, P.O. FOR FURTHER INFORMATION CONTACT: Enid A. Gerena, Environmental Protection Agency, Air, Radiation, and Toxics Division, 841 Chestnut Building, Philadelphia, PA 19107, (215) 597-8239.

SUPPLEMENTARY INFORMATION: On July 15, 1994 (59 FR 36128), EPA published

a notice of proposed rulemaking (NPR) for the Commonwealth of Pennsylvania. The NPR proposed approval of the Commonwealth of Pennsylvania's Emission Statement Program. The formal SIP revision was submitted on November 12, 1992.

The Pennsylvania Department of Environmental Resources (PADER) submitted a revision to the Pennsylvania's SIP which establishes emissions statement reporting requirements for stationary sources that emit of nitrogen oxides (NO_x) and volatile organic compounds (VOCs), above specified actual emission applicability thresholds.

Other specific requirements of the SIP revision on Emission Statements and the rationale for EPA's proposed action are explained in the NPR and will not be restated here. No public comments were received on the NPR.

Final Action

EPA is approving amendments to the regulation at Title 25 Pa. Code chapter 135, to add section 135.5, Recordkeeping, and section 135.21, Emission Statements, as a revision to the Commonwealth of Pennsylvania SIP. Nothing in this section should be construed as permitting or allowing or establishing a precedent for any future request for revision to any State Implementation Plan. Each request for revision to the State Implementation Plan shall be considered separately in light of specific technical, economic, and environmental factors and in relation to relevant statutory and regulatory requirements.

This action has been classified as a Table 3 action for signature by the Regional Administrator under the procedures published in the **Federal Register** on January 19, 1989 (54 FR 2214-2225), as revised by an October 4, 1993 memorandum from Michael Shapiro, Acting Assistant Administrator for Air and Radiation. The OMB has exempted this regulatory action from E.O. 12866 review.

Under section 307(b)(1) of the Clean Air Act, petitions for judicial review of this action must be filed in the United States Court of Appeals for the appropriate circuit by March 13, 1995. Filing a petition for reconsideration by the Administrator of this final rule does not affect the finality of this rule for the purposes of judicial review nor does it extend the time within which a petition for judicial review may be filed, and shall not postpone the effectiveness of such rule or action. This action to approve Pennsylvania's Emissions Statement Program may not be challenged later in proceedings to

enforce its requirements. (See section 307 (b)(2).)
